RE: Freedom of Information Act Request EPA-HQ-2013-006137

Dear Mr. Quiones:

This is an interim response to your Freedom of Information Act request dated May 3, 2013, as revised in your email to Jim Pendergast dated May 21, 2013. You have requested documents related to the Enhanced Coordination Procedures developed by the Department of the Army and the Environmental Protection Agency on Appalachian strip mining permits. Documents responsive to your request that we are releasing today were those that were once available to the public on the EPA website. These documents are available to you electronically via website at <http://foialonline.regulations.gov/foia/action/public.home>. We are continuing to review additional, potentially responsive documents, and will supplement this response if we identify additional documents that are releasable.

Thank you for your interest in this matter. If you have any questions, please contact Timothy Landers at (202)-566-2231.

Sincerely,

A handwritten signature in dark ink, appearing to read "David S. Evans", is written over a faint, larger version of the same signature.
